

PLEASE HELP CREATE OUR BICENTENNIAL SOUVENIR BOOKLET!

In 2010, The Norwich community will celebrate 200 years of our major settlement – the Lossing/Quaker arrival – when 15,000 acres in 3 wards (former South Norwich, Norwich Village, and North Norwich) of the existing township saw an organized influx of settlers.

In 1910, 1960 and 1985, souvenir booklets were published, showing a snapshot of community life. These have become valuable keepsakes and sources of research. A 2010 booklet is now planned and we want YOU to be part of it. Your business, family farm, school, church or club should be included.
