

IS YOUR CHILD STARTING KINDERGARTEN THIS FALL?

Don't miss the Preschool Health Fair

By Oxford County Public Health & Emergency Services

April 6 - June 4, 2010

**Woodstock, Tavistock,
Ingersoll & Tillsonburg**

By **appointment only** through Oxford County schools when you register your child for kindergarten

Help your child start the school year in the best health possible.

Every year at the preschool health fairs, public health nurses screen nearly 1,000 children to help detect vision and hearing problems early—before they interfere with learning—and connect with families in their own communities to share important health and safety information.

- **Free vision and hearing screening**
- **Activity centres**
- **Parent resource table**
